DETAILED ACTION

Response to Amendment

1. The amendment filed on 09/16/2005 has been entered and made of record.
Claims have been renumbered 1-4.

Allowable Subject Matter

2. Claims 1-4 are allowed.
3. The following is an examiner's statement of reasons for allowance: Claims 1-4 are allowable over the prior art of record because the Examiner found neither prior art cite in its entirety, not based on the prior art, found any motivation to combine any of the said prior art which teaches a solid state imaging device of the amplification type, comprising, a plurality of picture elements arranged two-dimensionally, each picture element comprising: a semiconductor light-receiving region...a semiconductor region...being disposed in the common well; contacts for supplying a reference voltage...; a wiring connected to reference voltage contacts...; and a power source contact, wherein the power source is connected by a wiring to a power source, the power source wiring being separate from the reference voltage wiring, wherein one either the reference voltage contacts or the power source contacts is connected to a wiring arranged at every row or every column of the picture elements and the other of the reference voltage contacts or the power source contacts is connected to a shielding layer having a light-receiving window formed above the wiring arranged at every row or

every column of the picture element; and wherein the wiring arranged at every row or every column of the picture element is connected to the reference voltage contacts and is disposed between two control lines for controlling a semiconductor element inside the picture element, as set forth in Claims 1-4 including all of the features recited therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
